

ALTEC PRODUCTS, INC.

HEADLITE LENSES

- *Complete the lines the designers had in mind.*
- *ALTEC AUTO-CROSS LENSES combine aerodynamics and European design to visually integrate the front body lines enhancing the performance appearance of the 300ZX.*
- *Autocross Lenses protect headlights from stone damage.*
- *Each kit is OEM Quality providing Precision molded lenses guaranteed to fit; aluminum mounting brackets; stainless steel fasteners; molded rubber trim and step by step illustrated instructions. No drilling of holes is required.*

DO NOT confuse ALTEC Autocross Lenses with lower quality imitators cut from flat stock and mounted with "VELCRO".

Custom lenses are available in clear and tint for:

DATSUN Z
DATSUN ZX
CAMARO
Z28
MUSTANG

NISSAN 300ZX
LASER/DAYTONA
HONDA CRX
VW RABBIT

Autocross Lenses are intended for show and daytime use.
